Product Description

Toro 2-in-1 Tiller / Cultivator - 58604

Make garden prep simple with this front tine tiller. The Toro Compact Front Tine is two garden tools in one. It is easily converted from a front tine tiller to cultivator in just seconds with no tools required. Simply choose between 11, 16 or 21 inch tilling widths and set your tilling depth up to 11" deep. As a cultivator, the unit can weed, mulch and aerate soil. As a tiller, it powers through large plots of land to weed and prepare seed beds for planting. The powerful 99cc Toro engine delivers the right amount of power to turn any soil while still being maneuverable.

- 2-in-1 Tiller Cultivator Capability
 - Adjustable Tilling Width (11, 16 or 21 Inches)
 - Powerful 99cc 4-cycle engine
 - Tilling Depth up to 11"
-
