Product Description

Shindaiwa 251TSN-14 Top Handle Chainsaw - 14"

The top-handle 251TSN is the lightest gas-powered chainsaw in North America. Its 80TXL cutting system reduces vibration and delivers outstanding performance, making it the top choice for professional arborists.

Features:

- 25.0 cc professional-grade, 2-stroke engine delivers exceptional power and lasting durability
 - 80TXL cutting system reduces vibration for smoother cutting
 - Automatic fast-idle choke enables easy starting
-
