Product Description

Shindaiwa 358TS Top Handle Chainsaw - 16"

The Shindaiwa 358TS Top-Handle Chainsaw delivers the professional-grade power that arborists and tree care experts demand. It's robust enough to cut through heavy branches and section trees with ease, yet lightweight enough for control, precision, and comfort throughout the workday. The ideal blend of strength and agility, ensuring efficient and fatigue-free operation any task.

Features:

- 35.8 cc professional-grade, 2-stroke engine delivers exceptional power and lasting durability
 - Integrated choke and fast idle with trigger release for quick starts
 - Contoured, ergonomic handle for optimal comfort and control
-
