Product Description

Shindaiwa 493 Rear Handle Chainsaw -18"

The Shindaiwa 493 Rear Handle Chainsaw is a high-performing, lightweight, and powerful chainsaw that's both efficient and versatile. Designed for discerning homeowners and commercial applications, the 493 is perfect for tackling heavier tasks like installing fence posts, doing storm clean-up, and cutting firewood. Its balance of performance and portability makes it ideal for any demanding job.

Features:

- 50.1 cc professional-grade 2-stroke engine provides powerful performance with superior durability
 - Ultra lightweight design
 - Reduced vibration system for ultimate comfort
-
