Product Description

Shindaiwa EB790 Backpack Blower

Shindaiwa's EB790 Backpack Blower is a powerful commercial-grade tool designed for maximum air speed and volume output. The hip-mounted throttle allows for easy one-handed operation and quick throttle adjustments, enhancing user efficiency. Ideal for heavy-duty use, it ensures maximum productivity and effortless clean-ups for large-scale jobs. This blower delivers the performance and reliability needed for effective debris clearing.

Features:

- 79.9 cc professional-grade, 2-stroke engine provides powerful performance with superior durability
 - Heavy-duty, dual-stage air filter that prolongs engine life
 - Vented backpack system with cushioned shoulder straps for added comfort
-
