Product Description

Shindaiwa SP401BP Backpack Piston Sprayer

The Shindaiwa SP401BP is a professional-grade, 4-gallon Backpack Sprayer that comes equipped with an internal piston pump that generates high pressure when spraying. Designed for durability and efficiency, this sprayer offers consistent pressure for a variety of spraying tasks. Ideal for commercial use, the SP401BP allows precise application of herbicides, pesticides, and fertilizers. Its ergonomic design provides comfort during extended use.

Features:

- Professional-grade fiberglass wand
 - 4-gallon tank with a wide mouth opening
 - 50" heavy-duty nylon-reinforced hose
-
