Product Description

Shindaiwa SP401BPD Backpack Piston Sprayer

Shindaiwa's SP401BPD 4-gallon professional-grade Backpack Diaphragm Sprayer is built with durability and efficiency in mind. The diaphragm pump creates consistent pressure, offering reliable performance when spraying a variety of material. An ergonomic design and heavy-duty padded straps provide comfort, even during prolonged use. The versatile nozzle options guarantee precise application.

Features:

- High-quality fiberglass wand
 - 4-gallon tank with a wide mouth opening
 - 50" durable nylon-reinforced hose
-
