Product Description

Toro 30" Stand-On Aerator 39521

The new 30 in. stand-on aerator is built for the demands of busy landscape contractors, it packs the power of a larger model in a smaller footprint so you can maneuver with ease. Now you can reach areas that could previously only be accessed by a walk-behind unit, saving time on projects both large and small.

Maneuver in tight spaces with a compact design that fits through a standard 36 in. gate. Navigate with ease with intuitive controls that function a lot like a mower, saving time. Get a smooth ride with the floating operator platform that isolates vibrations. Keep control easy with a foot pedal to raise and lower tines. Vary plug length on the fly by finely tuning the hydraulic system. It applies up to 1,200 lbs of down pressure on the tines to pull up to 5 in. cores. This aerator features consistent power with electronic depth control optimizes power and hydraulics, ensuring consistent core depths on any terrain. Hydraforce valve adjusts to the operator weight. It also has all necessary functions are at the operator's fingertips, including depth control with supervisor maximum-depth lockout, maintenance reminders and tine activation lockout. Also, engine and other common service components are easy to access for quick maintenance
